Nynehead Court is delighted to announce that the headline act at its Midsummer Music event at Nynehead Church on 23rd June is the acclaimed bassist Miranda Sykes, who plays folk music.

The event begins at 6.30pm (bar open at 5.30pm) and tickets are available from Nynehead Court at £15 per person, with profits going to Nynehead Church and ACEArts. The evening includes a performance by local musician Gibby Swain, playing traditional and popular music on the accordion, and the ticket price includes a light supper. People attending the event will also be able to enjoy the sculpture park within the grounds of the Court.

Home Manager Angela Watkins said, "We are really grateful to Miranda Sykes for agreeing to perform at our event, and hope that our guests enjoy what I am sure will be wonderful music from both Miranda and Gibby."

SOMERSET LIBRARIES

Time is running out to have your say

Anyone with an interest in Somerset's libraries has a few more days to take part in the County Council's consultation on the future of its Library Service. The proposals highlight that the arrangements for Wellington Library may remain unchanged or require community support.

The consultation ends on Wednesday 13th June and more than 4,000 responses have been received so far.

Somerset County Council is keen for anyone yet to complete the questionnaire to go online at www.somerset.gov.uk/librariesconsultation, view the proposal on the future of the library they visit most often and give their feedback. Alternatively, complete the survey at your local library.

Decision makers want to know the impact potential changes to the library service would have on you, your family and communities. It also provides an opportunity to comment on the proposals and make alternative suggestions.

Councillor David Hall, Somerset County Council's Cabinet Member with responsibility for libraries, said: "With just a month to go before the library consultation ends, I encourage anyone who has yet to have their say to complete a questionnaire and make their voice count. It's important to us as many people as possible tell us their views on our proposals and how they may affect them before we make our final decision."

A final decision on Somerset's library service is expected later this year.

Not sure who to turn to? Village Agents is a charity that works with individuals and social groups to give confidential support and advice. We can enable people to be more independent in their home, manage personal finances, care for family members and advise on just about anything! You can find Gaby at the Talking Café at The Bear in Wiveliscombe on a Thursday Morning and the drop-in at Milverton's Creedwell Orchard Meeting Hall on Monday mornings, Lister House Surgery on Monday afternoons and all day Friday. You can also find me at local coffee mornings, groups and events.

At long last we have had some lovely weather and been able to take part in outdoors activities such as May Fairs, open gardens and health walks. (Apologies to hay fever sufferers!) These are brilliant events for the whole community to get together for a casual chat and a great day out. Perhaps, if there is an event in your village, you could arrange to take a neighbour who may feel uneasy to go alone. You may give them the confidence to walk the distance or you may need to drive them to the event. Perhaps you could invite someone to your local group such as knitting, WI or men's shed. Once there, they will already know people or be able to make new friends, which will make both of you feel great and boost your mental health and wellbeing.

On the subject of health, Healthwatch Somerset, the county's independent health and care champion is looking for volunteers to help make our experience of the health service better.

"Our dedicated team of staff and volunteers listen to what people like about local health and care services, and what could be improved. These views are then shared with the decision-making organisations in the county, so together we can make a real difference. We also give talks about Healthwatch Somerset so if you are a member of a group and would like a talk we would love to hear from you."

The Talking Cafe is a Multi-Agency information cafe providing free advice and support to the public. At the Talking Café people can find information and advice on care and support options. No appointments are needed, just drop in to pick up information and advice and a chat with me, a member of the Adult Social team or a representative from a visiting agency. The Talking Café is held from 10am till 12pm every Thursday morning in The Bear Inn, North Street, Wiveliscombe.

TAUNTON DEANE BOROUGH COUNCIL

Council supporting homeowners with essential home repairs

Taunton Deane Borough Council is taking the opportunity to remind homeowners about their loan scheme to enable homeowners to fund essential home repairs. The scheme has been developed to keep people warm, safe and dry in their homes.

A variety of works can be considered such as roof and thatch repairs, boiler and other heating system replacement or installation, replacing rotten or draughty windows, structural repairs or electrical or plumbing work to name a few. The scheme has been set up to enable eligible homeowners to choose their own contractor and there are a variety of loan products available to suit individual needs and means.

The scheme is delivered through Wessex Resolutions CIC, a not-for-profit Responsible Finance provider in close partnership with the Council. The partnership has been running for over ten years across Taunton and has helped a huge variety of homeowners. A recent client said "For all my adult life I have not had central heating and, now I'm getting a bit older, it will be nice to feel warm in the winter."

Through providing loans, the Council is ensuring funds for homeowners are sustainable meaning that every repayment goes back into the Council pot to lend to homeowners into the future. A loan funded by the Council could help spread the cost of home repairs but let you enjoy the benefit right away.

For more information, call Wessex Resolutions direct on 01823 461099, visit www.wrcic.org.uk or email enquiries@wrcic.org.uk.

Loans have a fixed interest rate and typical 4.2% APR and are subject to status. Missing future payments could affect your credit rating and ability to obtain credit in the future. Wessex Resolutions CIC may insist on loans being protected at the Land Registry by a Title Restriction.

Wessex Resolutions C.I.C.: a community interest company limited by guarantee, registered in England, company number 4512225. Registered address: Heatherton Park Studios, Bradford on Tone, Taunton TA4 1EU. Wessex Loans and Wessex Home Improvement Loans are trading names used by this company. Wessex Resolutions C.I.C is authorised and regulated by the Financial Conduct Authority (675263) for credit and debt-related regulated activities.
